My apologies, Carolyn, but one final thing. We have been contacted by the Mayor and are not sharing information on the [Ex. 6 Personal Privacy (PP)] but it does bring up the question of when EPA may be talking to the City and IDEM. I know that Brad has contacts with IDEM and I would imagine he'll get a call sometime also. Thanks.

Carolyn - I didn't get the feel that you were ready for us to contact the property owner and resident at [Ex. 6 Personal Privacy (PP)] or start talking to the other 8 locations about access. Before I turn Brad's team loose (and they are ready to go today) I wanted to confirm that we're good to talk to these folks. At least, could we start contacting the 8 locations about access even if you wanted to hold off on [Ex. 6 Personal Privacy (PP)] now? Thanks.

Also, looking to be going into sewer manholes today if we have your okay. If we want to sample this week, we have to start the process today. Thank you.
